Dear Richard -

Since we will be working together for longer than planned, I thought I'd drop you a note now to thank you for all you - and your staff - have done on my behalf.

I consider myself very fortunate to have found such a competent; hard-working attorney to fight on my behalf - Please know that all your efforts are very much appreciated. You are a special person; I am glad our paths crossed.

Thank you for helping everyday people - like me - every day - HA - Talk soon - Wendy Felicia
